Dear Ms. Mayfield:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The election cycle-to-date totals for certain entries on your report indicate additional contributions that should have been itemized. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. Additionally, each contribution from a political committee must be itemized, regardless of the amount (2 U.S.C. §434(b) and 11 CFR §104.3(a)(4)). Please amend your report to correct the discrepancies in the aggregate totals for:

Albertine, Mona  
AT&T Inc. Federal Political Action Committee  
Cesare Albertine, Anne Mrs.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute
